2010 Holiday Giving Program

November 1, 2010

Dear Reach for the Moon Supporter,

Thank you for contributing in the past to help over 450 children through the Reach for the Moon Annual "Holiday Giving Program". Each year we help more and more children feel the spirit of the holiday season through generous individuals and businesses, much like you. Two years ago, we started the shoe box program for the Holiday Giving Program to better serve our families and to reach more children in need. The shoe box program has been successful and we will continue with that program this year. Times are tough for many and we need to "reach" out to help all we can this holiday season.

This year if you choose to participate in the Holiday Giving Program you will select how many children you would like to sponsor. With your generous support each child in need will receive a shoe box full of want/need items. Since the children we assist are in need of items that are larger than a shoe box can hold, we ask that each child's shoe box include a \$25.00 gift card to Wal-Mart or Target. The gift card will insure that each child will be able to purchase clothing or shoes to meet their specific needs. A list of suggestions for various items to fill shoe boxes will be sent to you along with the child's name, age and gender.

If you or your company would like to participate in our "Holiday Giving Program" please fill out the Holiday Gift Giving Form and fax or mail to us in the provided envelope. If you have any questions please contact Shelley Bruss by email or at (630) 906-6815. Reach for the Moon volunteers will wrap, sort and deliver the shoe boxes to the families in need. With the great needs that exist in our communities this is a simple way in which you can individually or as a group make a difference in the life of a child. We greatly appreciate your consideration of supporting Reach for the Moon Foundation.

Warm Wishes this Holiday Season,
Shelley Bruss, President
